Patient Charge / Inventory Control Labels

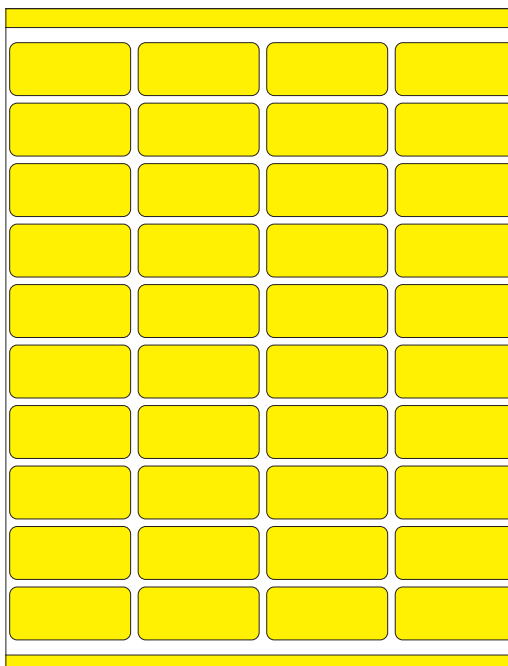

Laser Labels

Laser labels are stocked in two convenient sizes. Both are supplied on an 8 1/2" x 11" carrier sheet, containing either 40 or 44 labels. Each sheet is piggyback style with a permanent adhesive.

PBXL
Top Label Size: 5/6" x 1 2/3"
Label per sheet: 44 (4.4M per pack)
Sheets per pack: 100
Available colors: PBXL-02 Yellow
PBXL-05 Orange
PBXL-06 Blue

PBXL - 40
Top Label Size: 7/8" x 2"
Label per sheet: 40 (10M per pack)
Sheets per pack: 250
Available colors: PBXL-40-02 Yellow
PBXL-40-05 Orange
PBXL-40-06 Blue

Patient Charge / Inventory Control Labels

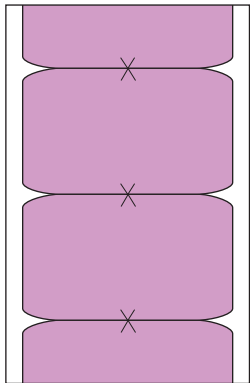

Thermal Labels

Thermal Piggyback Labels are stocked for use with most major thermal printer brands. When ordering, please use the basic catalog number followed by the number of the color desired; i.e., green TMT labels would be ordered with catalog number TMT-03.

Cat. No. TMT
Label Size: 15/16" x 1 9/16"
Label per roll: 3000

Available Colors

	02	Yellow
	03	Green
	05	Orange
	06	Blue
	12	Violet

Cat. No. ZMT-1
Label Size: 3/4" x 1 3/4"
Label per roll: 3500

Available Colors

	02	Yellow
	03	Green

Cat. No. MBT-1
Label Size: 3/4" x 1 3/8"
Label per roll: 2000

Available Colors

	01	White
	02	Yellow
	05	Orange
	06	Blue

Cat. No. MBT-2
Label Size: 1" x 2"
Label per roll: 2000

Available Colors

	02	Yellow
	05	Orange

All shown 70% Actual size

*Also available in thermal transfer. Call for additional information.

IF YOU DO NOT SEE WHAT YOU NEED please call us for assistance. We stock many more miscellaneous central service labels or we can help you design a custom label to suit your specifications.

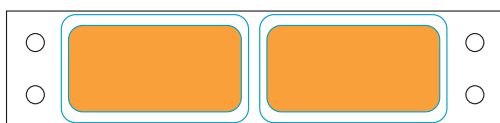

Patient Charge / Inventory Control Labels

Standard Data Processing Labels

These standard data processing labels are compatible with your computerized patient charge systems. They are available in the following styles. When ordering please use the basic catalog number followed by the number of color desired; i.e., three across double die-cut style labels in blue would be ordered with catalog number DPCX-3-06.

Double Die-Cut Style

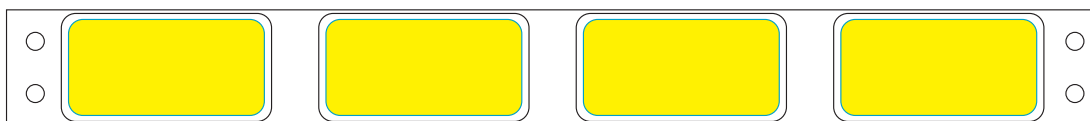

Features an individual die-cut bottom label. Produced on smudgeproof piggyback stock with a permanent adhesive.

DPCX - 2 Label Size 3/4 " X 1 1/2 " Carrier width 4 3/10 "

DPCX - 3 Label Size 5/6 " X 1 7/10 " Carrier width 7 "

DPCX - 4 Label Size 5/6 " X 1 7/10 " Carrier width 9 1/2 "

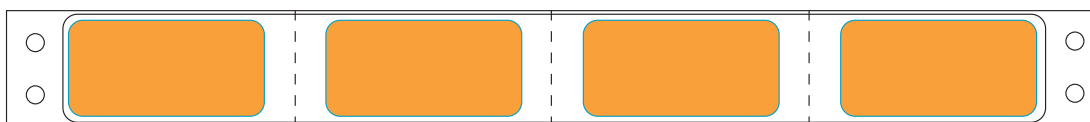

DPCX - 5 Label Size 3/4 " X 1 3/4 " Carrier width 11 "

Available Colors

-  01 White
-  02 Yellow
-  05 Orange
-  06 Blue

Strip Style

Features a single horizontal bottom label for easy removal of 4 or 5 labels at a time. Produced on smudgeproof piggyback stock with a permanent adhesive.

DPCX - 4S Label Size 5/6 " X 1 7/10 " Carrier width 9 1/2 "

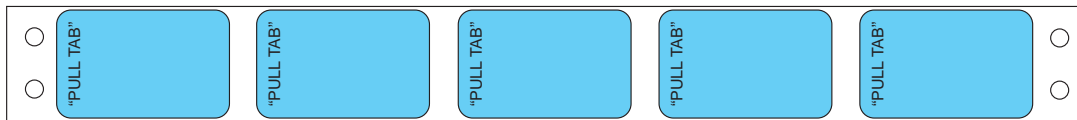

DPCX - 5S Label Size 3/4 " X 1 3/4 " Carrier width 11 "

Patient Charge / Inventory Control Labels

Pull Tab Style

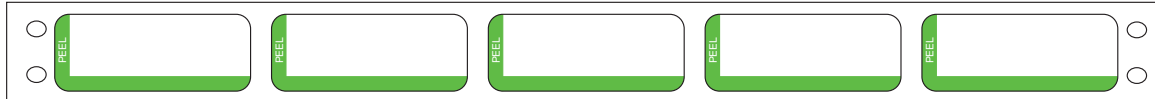

Features a handy, non-adhesive backed pull tab on top label for easy removal of individual and strip labels. Produced on flexible smudgeproof piggyback stock with a permanent adhesive.

DPPT - 5 Label Size 15/16 " X 1 1/2 " Carrier width 9 3/8 "

DPPT - 5S Label Size 15/16 " X 8 17/32 " Carrier width 9 3/8 "

DPPT - 5CB Label Size 2/3 " X 1 7/10 " Carrier width 10 1/16 "

IF YOU DO NOT SEE what you need, please call us for assistance. Other styles and sizes are available.

Sterilization Products

Steam Autoclave Tape

Autoclave Tape is available in plain, color coded or printed styles. It may be written on with pen, pencil or marker. Use it to provide a visual indication that all the conditions necessary for steam sterilization have been met. Tape is supplied in 3/4 " X 60 yard rolls. Stocked for immediate delivery.

INSTRUMENT MARKING TAPE

Use this durable vinyl tape to color code your surgical instruments for easy identification. It is resistant to chemicals and can be used in all types of autoclaves. The tape is 1/4 " wide and supplied in 200 " rolls. Stocked for immediate delivery. When ordering, please use the basic catalog number IMT-25 followed by the number of color desired; i.e., orange Instrument Marking Tape would be ordered with catalog number IMT-25-05.

Cat. No. IMT-25

Consecutive Numbers

LNT-500 TABLET FORM

Tablet Form consecutive numbers are printed on the highest quality pressure sensitive material. "Real stick" stock is especially suited for the tough demands to the busy medical laboratory, hospital or clinic. It holds tight on small or large diameter tubes and containers, without flagging, at temperatures from -50° to 160°F. These 1/2" x 1 1/4" round-corner labels are supplied on sheets of up to 50 sheets per tablet. Each sheet can be printed with as many numbers as desired. Any color ink can be supplied upon request; however, black will be used unless otherwise specified. Colored backgrounds are also available at a small additional cost. (See price sheet) A standard No. prefix is used but you may specify - At No Additional Cost - any three character letter or number prefix or request labels without a prefix. Should your label require additional printing, this can be supplied at a small additional cost.

Tablet form numbers come standard with 50 sheets per tablet.

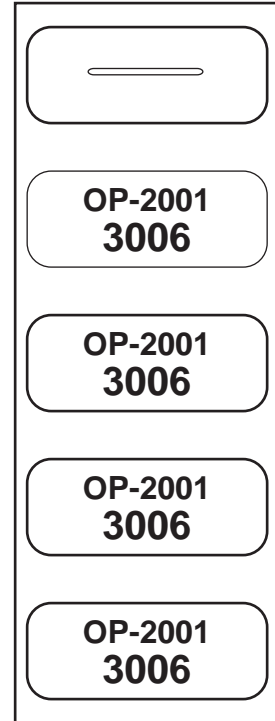

Standard Sizes

Available

1/2" x 1 1/4"

1/2" x 1 1/2"

1/4" x 1"

LNR-600; ROLL FORM

Roll Form consecutive numbers follow the same specifications as the tablet numbers except they are supplied in continuous rolls with vertical and horizontal perforations between each label. A standard 1" core is used with 3" available upon request.

Roll form numbers come standard with 1000 sets per roll.

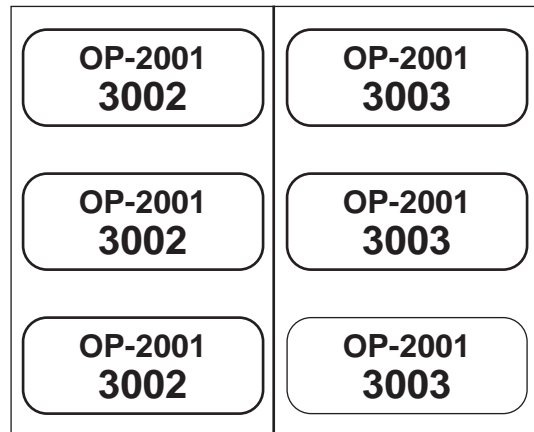

Standard Sizes

Available

1/2" x 1 1/4"

1/2" x 1 1/2"

1/4" x 1"

Chemical Resistant Consecutive Numbers

Compatible with Xylene, Shamdon Americlear™, Surgiclear™ and others.

LNx-1 Clear
Standard Size: 5/8" x 7/8"

LNx-2 White (opaque)
Standard Size: 5/8" x 7/8"

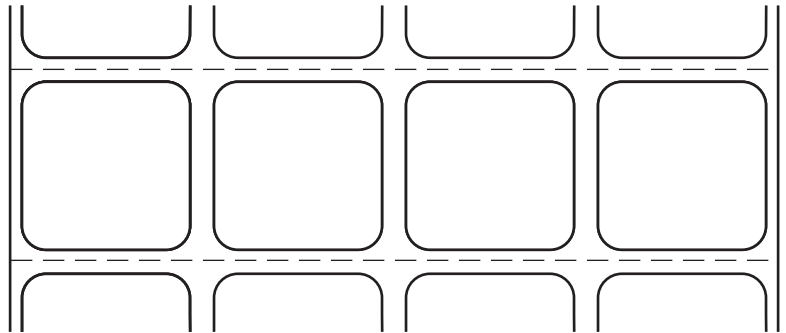

LNx-2B White with Bar-Code
Standard Sizes: 3/4" x 7/8"
7/8" x 7/8"
5/8" x 7/8"

Labels can be supplied in rolls or tablet form for the same low price.
Other sizes available at your request at little or no additional charge

A Do-It-Yourself chemical resistant label kit is available so you can utilize your own thermal transfer printer to print your Xylene on demand.

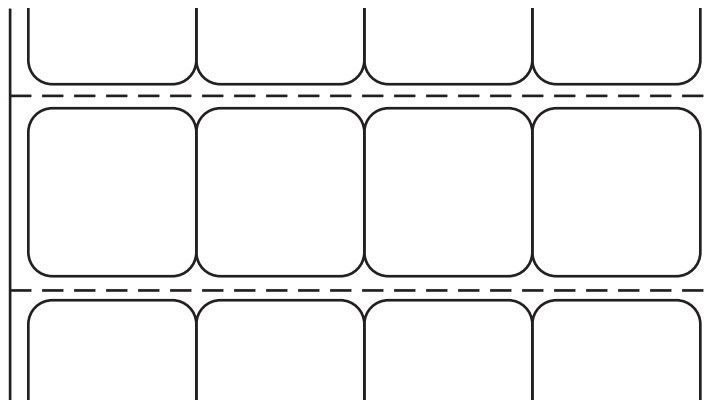

Part number LNx-1kit
Label Size: 7/8" x 7/8" 4 across
Labels Per Roll: 15,000
Core Size: 3"

Kit Includes: 3 rolls of Labels = 45,000
1 Xylene resistant Ribbon: 4.32" x 984'

*Please specify printer type when ordering.

Also Available
7/8" x 7/8"
15/16" x 15/16"

Pathology Specimen Identification

Made as simple as A, B, C, with tissue correlator labels.

CAT. NO. TCA CASSETTEE LABELS

Sturdy card stock preprinted with your accession numbers. Offered in tablets of up to 50 sheets with as many matching numbers as needed. Each sheet is divided into 1/4" x 1 1/2" labels by "easy tear perforations". These labels fit perfectly into a standard tissue cassette. Each sheet also comes with free blanks for handwriting extra numbers as needed. The special ink used is unaffected by processing solvents and will not interfere with the tissue specimen. NOTE: Prefixes and suffixes aren't any problem either just tell us your needs.

CAT. NO. TCB PARAFFIN RING LABELS

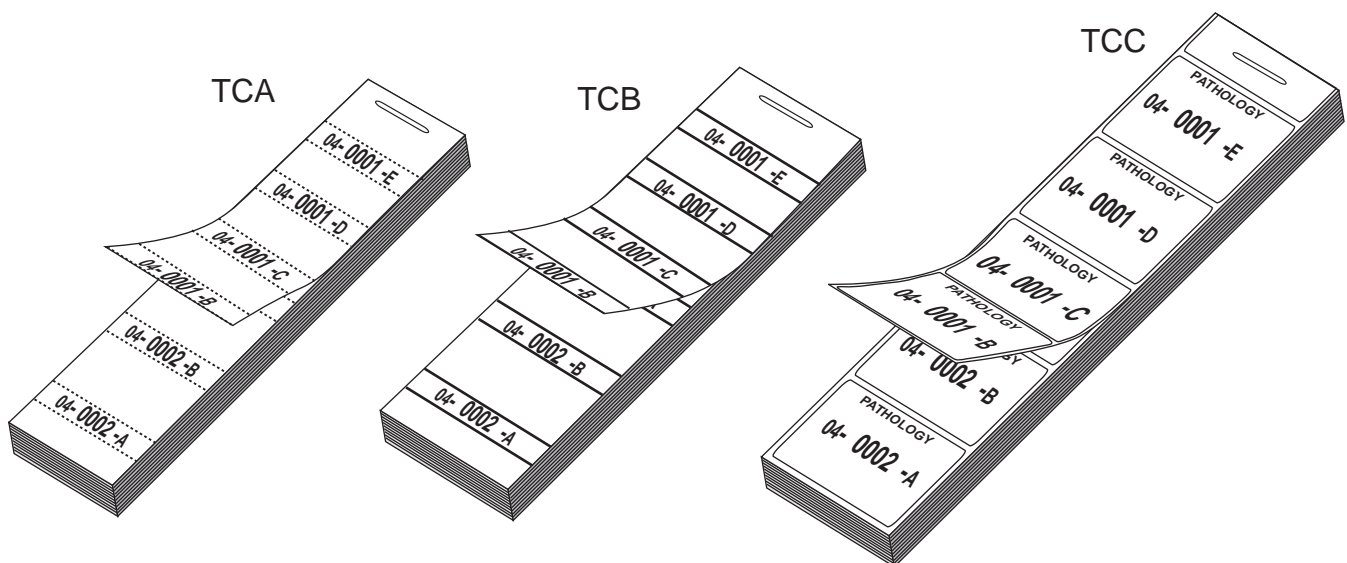

The matching sequence of numbers to the cassette labels - to correlate the paraffin blocks. These are 1/4" x 1" labels and are printed on permanent pressure sensitive stock that adheres readily to paraffin rings. Also excellent for identifying gross specimen bottles. As with the cassette labels free blanks with each sheet.

CAT. NO. TCC ROUND CORNER MICROSLIDE LABELS

The finishing touch: matching numbers for the microslides are provided on easy-to-use round corner labels measuring 15/16" x 15/16". The rounded corners give your laboratory that little extra: a better looking finished slide. Label material used not only stands up to years of filing and use but is the same thickness as a standard coverslip, making for easy stacking. For easy identification and that final touch of pride, your hospital or department name can be printed on each label for an additional 25%.

Specific hospital departments can be identified by ordering color background tints for 20% additional. Cytology technologist will find these labels ideal if ordered on standard (thin) stock.

*All sizes maybe customized at a small additional charge.

Microscope Slide Labels

Standard Thickness

MSR-10	15/16" x 15/16"	Roll form
MSR-10-7	7/8" x 7/8"	Roll form
MSS-10	15/16" x 15/16"	Sheet form
MSS-10-7	7/8" x 7/8"	Sheet form

Pathology (thick) Thickness

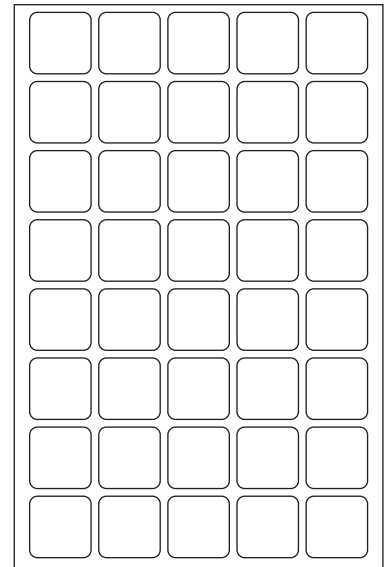

MSR-15	15/16" x 15/16"	Roll form
MSR-15-7	7/8" x 7/8"	Roll form
MSS-15	15/16" x 15/16"	Sheet form
MSS-15-7	7/8" x 7/8"	Sheet form

Roll form slide labels are supplied with 1000 labels per roll

Sheet form slide labels are supplied 1000 per pack with 40 labels per sheet.

All slide labels are available as a stock product and can also be supplied tinted and/or imprinted upon your request.

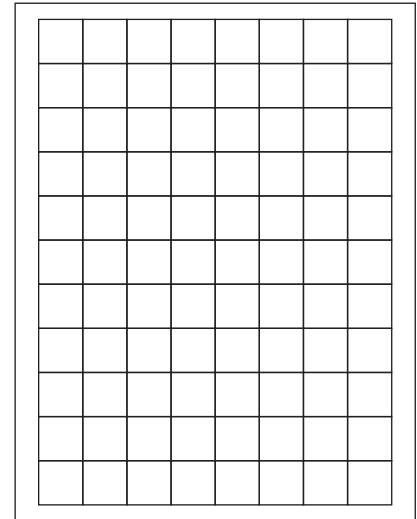

*Labels are supplied Round corner style unless requested butt cut.

LSL-88-1

Laser Slide Labels
 Label Size: 15/16" X 15/16"
 100 sheets per pack
 88 labels per sheet
 Adhesive: Permanent
 8,800 per box

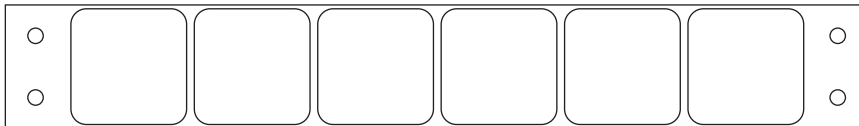

*Also available with custom imprint
 500 sheet minimum. Call for quote.

DPMS-1

Label Size: 15/16" X 15/16"
 Carrier Width 7"
 Material: EDP
 Adhesive: Permanent
 30,000 per box

*Also available with custom imprint

Microscope Slide End Labels

Size 7/16" x 15/16"

Standard Thickness

MESR-20	Roll form 1000 per roll
MESS-20	Sheet form 2000 per box

Pathology Thickness

MECR-25	Roll form 1000 per roll
MECS-25	Sheet form 2000 per box

These labels are available as a stock item and can be custom tinted and/or printed to serve your needs.

Imprinter Labels

Imprinter Labels are stocked in 6 convenient sizes, so whether your imprinters take a CR50 or CR80 size identification card, we have a label to fit. These labels are supplied in rolls 1000 each with a perforation between each label allowing you to reproduce one label or up to 1000 in a continuous strip.

LITHO (REMOVABLE ADHESIVE)

CATALOG NO.	SIZE
LIL-1	1" x 3"
LIL-2	1" x 3 ¹ / ₂ "
LIL-3	1 ¹ / ₄ " x 3"
LIL-4	1 ¹ / ₄ " x 3 ¹ / ₄ "
LIL-5	1 ¹ / ₂ " x 3"
LIL-6	1 ¹ / ₂ " x 3 ¹ / ₂ "

MATTE FINISH

Litho removable stock will stick to almost any flat surface and comes off cleanly when needed. NOTE: Not recommended for smaller diameter curved surfaces.

SATURATED (REMOVABLE ADHESIVE)

CATALOG NO.	SIZE
LIS-1	1" x 3"
LIS-2	1" x 3 ¹ / ₂ "
LIS-3	1 ¹ / ₄ " x 3"
LIS-4	1 ¹ / ₄ " x 3 ¹ / ₄ "
LIS-5	1 ¹ / ₂ " x 3"
LIS-6	1 ¹ / ₂ " x 3 ¹ / ₂ "

Saturated stock is a latex-impregnated material with little or no memory. This characteristic makes it ideally suited for labeling any curved or tight cornered surfaces. Saturated labels will cling tightly to almost any surface yet come off cleanly with no adhesive transfer. An added plus: The smudge resistant surface gives clear imprints.
